

NEW HORIZONS

PREFACE

Although graduation day is a time for nostalgia, it also signifies a new era in your life. You are now emerging from the confines of high school into the openness of the world.

In conjunction with this thought the 1968 Maple Leaves editorial board chose as this year's theme "New Horizons." The horizons that you will see and be part of are innumerable and indescribable. Whenever one has been conquered you can be sure another remains.

The 1968 Maple Leaves is in itself a "New Horizon". This year's classbook is larger and vastly different from any published by the students of Bulkeley. The book has many different features which we feel are improvements while maintaining the purpose of its publication.

It is also the most expensive and most difficult to publish and as such requires numerous people to complete the necessary work. At this time we would like to extend our thanks to Bradbury, Sayles, O'Neill, Inc., who arranged our yearbook; to Mr. Paul Nelson, our publishing representative, for his guidance and concern for the success of the Maple Leaves; to Loring Studios for exquisite pictorial coverage; to Mr. Frederick T. Bashour for his cooperation and advice; to our typists and art board for their fine contribution; to our Editorial and Business Boards for their tireless work; to Mrs. Jean S. Doerschuck for her exhaustive efforts in obtaining pictures for the book; and finally to Miss Rita B. Antaya for her guidance, advice and criticism in leading us through the complexities of publishing a classbook.

MEMORIAM

JAMES C. STRANO

James C. Strano, valiant and courageous, gave his life for his country on a lonely day in the week of January 22, 1968.

A Bulkeley graduate of 1966, he served in Viet Nam since October, 1967. In the 1966 Maple Leaves James was described as manly, modest and true, an interested and concerned friend to all who knew him.

James Strano personified the dedication and courage that is an integral part of the fighting men of the United States.

His conduct and that of his comrades is the true image of the American Youth. He is one of the many American men who sacrifice their lives for the preservation of democracy.

The Maple Leaves Editorial Board wishes to recognize the service that the Armed Forces of America are rendering to our country and the world. Despite personal views on the War in Viet Nam, we all should be proud of our soldiers. Therefore, we, the Class of 1968, wish to dedicate our book to James C. Strano and, moreover, to his comrades who have died to protect the freedom of Viet Nam.

DEDICATION

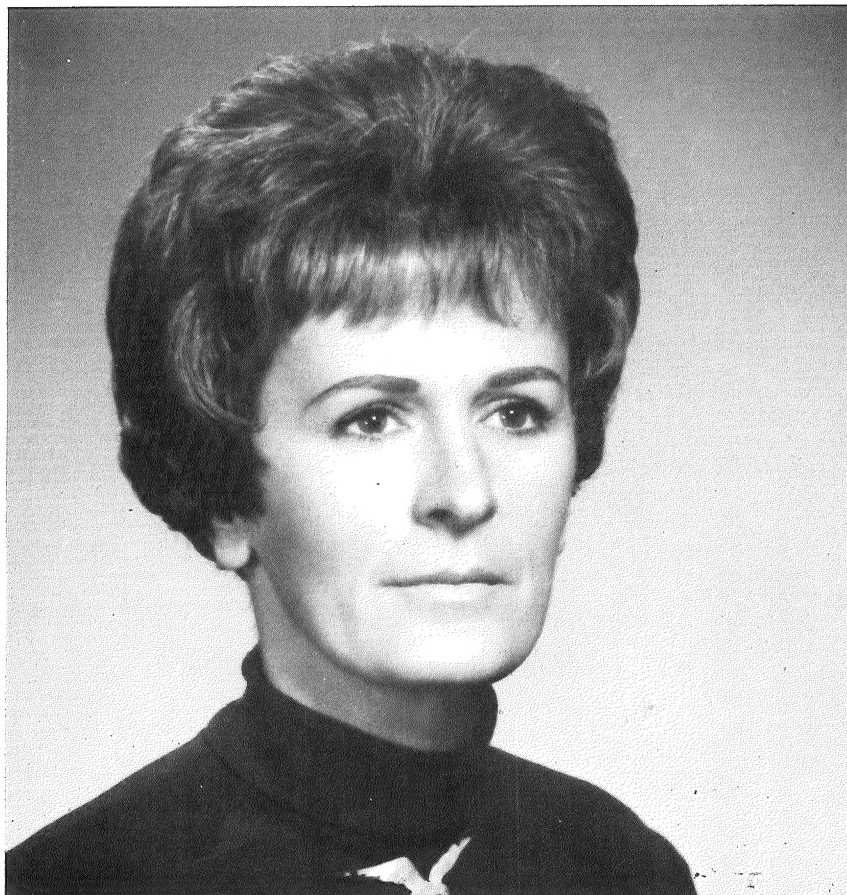

Mr. Neil Macy

"Most people would succeed in small things if they were not troubled with great ambitions," stated Longfellow.

Mr. Neil Macy has definitely accomplished many so-called "small things" during his career at Bulkeley High School. He has a justly deserved reputation among Bulkeley's students as a fair and progressive-thinking teacher. Despite his interest in Hartford's political scene, he always has time to counsel a student or to discuss the issues of the day. As a parent he knows teenagers and enjoys working with them. He lectures on government in many places and was advisor of the Bulkeley debating team known as Opinion Exchange. His activities for the Hartford Federation of Teachers are known and appreciated throughout the city's school system. He also finds time to instruct students in religious school after hours.

You will readily agree that Mr. Macy has succeeded remarkably well in the teaching profession which isn't such a "small thing" after all. It is with great pride and deep appreciation for his services to Bulkeley that the Class of 1968 proudly dedicates the Maple Leaves to Mr. Neil Macy.

DEDICATION

Miss Elizabeth A. Boudreau

Very often, an extremely industrious person receives little recognition in the performance of duty. With this thought in mind, the Class of 1968 sought to dedicate its classbook to a person who contributes a great deal to Bulkeley each day and who somehow remains forgotten for the most part.

As chairman of the Girls' Physical Education, Miss Elizabeth A. Boudreau has counseled its program through the years to the high standards which it now enjoys. Evidence of her hard work and dedication lies in the success that the girls of Bulkeley have attained in their pursuits of athletic endeavors.

The Girls' Leader Corps under her able guidance has reached the threshold of becoming a fine athletically motivated organization. It has always been a popular and prestigious organization and perhaps now, more than ever before, because of its achievements in recent years.

We know that Miss Boudreau deserves more recognition than we as a class can offer her. However, the Class of 1968 feels justly honored to be able to dedicate our classbook to Miss Elizabeth A. Boudreau.

PRINCIPAL'S MESSAGE

In each of the past eight years, I have expressed in Maple Leaves a sincere wish for the future success of each member of the graduating class and have also included a statement of challenge or resolve in the hope that it will give graduates some insight and perspective into the unique position that graduation has placed them in the grand design. Posed were such questions as: *Where* are you going? . . . *How* are you going? . . . Do ends justify the means? etc.

This year I query—if this were to be my last charge to a class, and someday of course, there must be one, what would I say?

I think that I would state that a man's actions in all situations must stem from his philosophy of life. That the latter is formed by the impact of his school, his family life, his church and society in general have had on him. This philosophy gives a man direction, determines not only patterns of procedures in action but also actions themselves, and gives one that inner strength which supports during times of stress. Without a philosophy of life, a person is like a meandering stream on a flat plain moving about aimlessly and seeking for that lower level.

To members of the class of 1968, my challenge to each of you is to develop through conscious thought a philosophy of life for yourselves—one that will give *you* direction in these troubled times; a philosophy that will enable *you* to choose consistently right from wrong; a philosophy that will give *you* support and guidance when crucial decisions of life have to be made.

To the class of 1968—my best wishes, God speed and farewell.

Frederick T. Bashour

HONORARY DEDICATION

Mr. Medill Bair

We, the Class of 1968, proudly make our honorable dedication to Mr. Medill Bair, superintendent of the Hartford Public School System.

Only two years have elapsed since Mr. Bair left California to assume his present position, yet already he has placed an indelible mark of progress on education. Mr. Bair's liberal handling of educational problems and the compassion he has shown for the educators and students throughout the school system are highly commendable characteristics indeed. The city of Hartford is fortunate that our school system is in such capable hands.

Thus, the Class of 1968 is pleased to dedicate its classbook to Mr. Medill Bair.

TORCH EDITORIAL BOARD

The Torch, the school's newspaper, is published monthly. It provides the student body and faculty with a means of keeping up-to-date with the clubs, sports, and other activities of the school.

The work done on the paper is divided between two boards, the editorial board, and the business board. The editorial board prepares the content and makeup of the paper. The business board is responsible for advertisements, distribution, and all financial matters.

Together with the invaluable Torch typists, these boards produce the finished newspaper.

CROSS COUNTRY

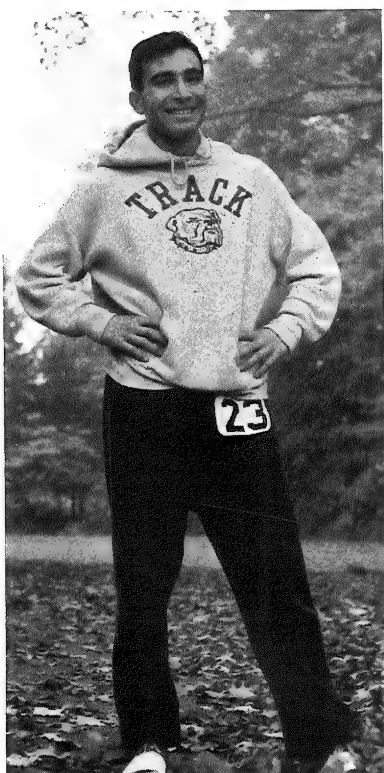

Bulkeley's Cross Country team turned in a surprising 5-8 record for the 1967 season. They began their season by capturing three of their first five meets. Bulkeley was defeated by HPHS, Manchester, Norwich and Pulaski before registering a win over South Catholic. Strong running by Sal Mangiafico, Mike Scricca, Tony Puglisi and Al LeBrun highlighted the Bulldog victory.

Captain Sal Mangiafico captured a first in the City meet as well as setting a Keney Park course record of 15min. 15sec. in a meet with Weaver. Senior Tony Puglisi, Mike Scricca and Al LeBrun were others who aided the team to its fine season.

SWIMMING

Though having had a losing season the Bulkeley Bullfrogs received many fine performances from Jack Lazorik, Alex Balko, Bob Plikaitis, and Steve Hall. Jack Lazorik continually set a new Bulkeley record for the backstroke. Balko broke a five year old record in the 100 yard breaststroke. The Bulkeley 200 yard medley relay team established a new school record.

The Bullfrogs have many lettermen returning for 1969 and with the contributions of Tony LaRosa, Curt Meyer and Tom Christensen should have a successful season.

SOCCER

The Bulkeley Booters started the 1967 season by mercilessly defeating their first three opponents. In their fourth match, the Bulldogs fearlessly faced the Owls from HPHS. The bitterly fought duel ended in a three to three tie, in double over-time.

Next, the Bulldogs met Newington for the second time. Both teams battled fiercely; however, the Indians managed to score a disheartening 3-2 upset.

Forty-eight hours later, at Colt Park, the Bulkeley Booters pounded the Windsor Soccer team into submission by the score of 4-1. This game marked Bulkeley's fourth win with one loss and one tie.

The Booters again suffered a disheartening defeat to HPHS. The winning goal for the Owls

was scored by a Bulkeley defender. The team came back for a 5-1 victory over the Weaver Beavers.

The last three games resulted in one win and two losses for the Bulldogs. However, the lone victory secured a tournament spot for the Bulldogs.

In the State Tournament the Bulkeley team faced a strong Lyman Hall team. It was a close contest all the way but the opponents prevailed by a 2-1 score.

The tournament loss could not remove the accomplishments of the 1967 team. They compiled the best record in the school's soccer history. Led by the Pigan brothers the Bulldogs showed that they were powerful enough to defeat any soccer team on a given day.

BASKETBALL

The Bulkeley Cagers once again produced another fine season. This time under the able coaching of Coach Joseph DiChiara, the Bulldogs enjoyed a successful 12-8 record. The team was paced by two of Bulkeley's most prominent athletes, Jackie Brown and Morris Jackson. These two led all others in shooting, rebounding and spirit. However, the third category may be a little doubtful. Their spirit was second only to the loyalty of the Bulkeley fans. Each game, either home or away was well attended by the enthusiastic supporters. The participation by the student body was the finest that Bulkeley has seen in many years.

The Bulldogs began the season by hosting East Hartford. The rousing Bulkeley success was a positive inclination to the favorable end results produced by our Bulldogs. Bulkeley triumphed over East Hartford with an overwhelming score of 70-49.

Four nights after whipping East Hartford, Bulkeley's Hoopers braved the strong Whalers of New London. Even though the Bulldogs battled fearlessly, they lost by a close decision, 62-69. As the New London team travelled merrily homeward, the Bulldogs were planning their meeting with Wethersfield.

On the twenty-second day of December, the Wethersfield Eagles visited the well-known Bulkeley gym. Little did they know, the Bulldogs were ready to trim their feathers. In the end, Bulkeley was triumphant, Wethersfield bowed 76-64.

The following Wednesday, the Bulkeley Bulldogs invaded the Bristol Eastern gymnasium where they collected a close win by scoring 75 points against Bristol's 69.

Venturing next to Norwich Free Academy, the Bulldog cagers dropped a tight 65-62 decision.

Fitch High School became the next team to fall at the talented hands of the Bulldogs. A definite romp, the Fitch team fell by 26 points, 76-50.

The last of a four game series on the road brought Bulkeley to New Britain where they faced a difficult Hurricane defense. A 10 point deficit cost Bulkeley their third loss. The final score at the buzzer was 67-57.

Weaver was then the next opponent. The contest was held at Hartford High where several Bulkeley fans witnessed a close battle. However hard the Bulldogs played, it was not hard enough, as Weaver made three baskets more, for a final score of 70-64.

The next Tuesday, Bulkeley faced Fitch for the second time. Again the Bulldog Hoopers emerged victorious. This time though, Fitch was not such an easy opponent. The conquest of Fitch gave Bulkeley a 5-4 midway mark.

Plagued by illness and injury, Bulkeley encountered the highly rated HPHS team. Led by Bob Nash, Hartford steamrolled over the Bulldogs with an outrageous 97 points to our 65.

Trying to forget the humiliation caused by HPHS, the Bulkeley Cagers were ready for Weaver. Again the Beavers won, but this time they increased their winning margin to 10 points for a final 59-49 score.

With the CIAC Tournament in sight, the Bulldogs had to win 4 of their last 7 games to qualify. With this in mind, they travelled to New London where the Bulldogs, paced by Jackie Brown, defeated the Whalers with a 64-51 upset.

Bulkeley's gym was then the site of a second big upset. Norwich was neatly disposed of by a 76-64 score. By decisively defeating both New London and Norwich, the Bulldogs incited fear into the teams of the surrounding schools.

The next Bulkeley opponent was HPHS. In the second contest, Hartford again put the collar on the Bulldogs with an overwhelming 68-38.

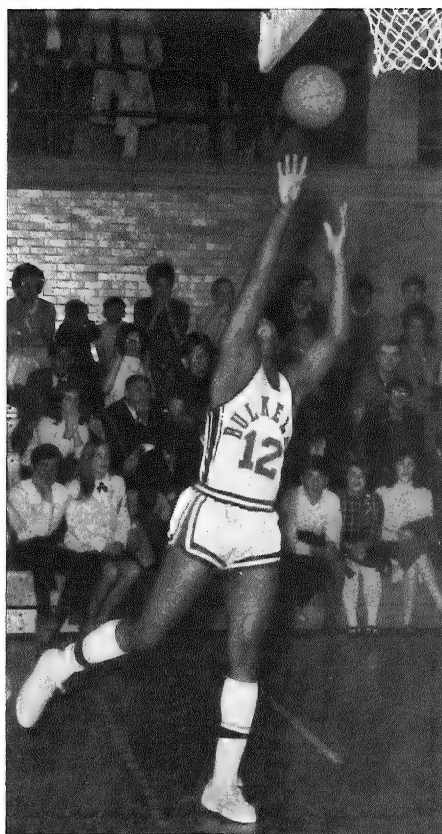

Following the discouraging loss to Hartford High, Bulkeley scored another upset by shutting down New Britain 77-67.

The Bulldogs then went on to win their last three contests. The Bulkeley quintet proved to be too much for the Eagles of Wethersfield as they turned a respectable 85-51 victory. It was in this game that Jackie Brown broke the school record for the most points scored by one player in one game. Jackie established the new record by scoring 46 points.

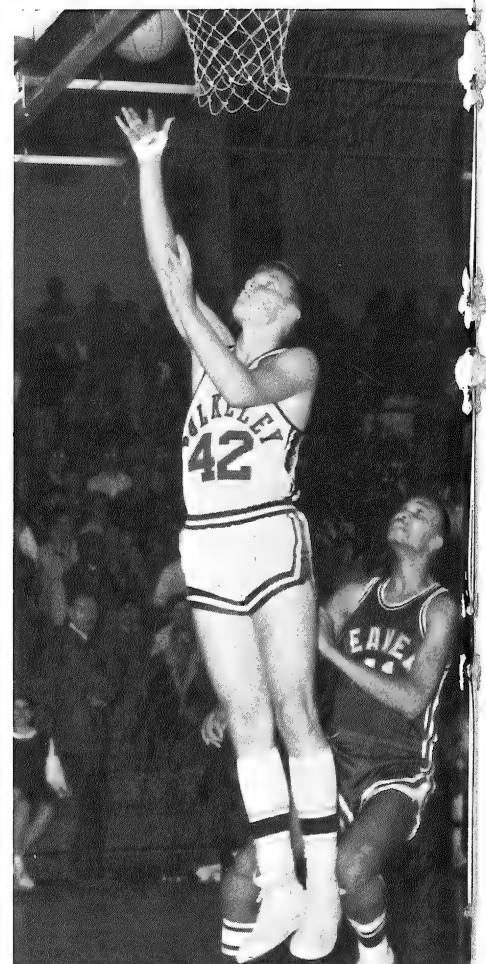

Manchester was next to fall to the powerful Bulldogs. It was a close match but the Bulkeley Cagers came through with the win, 62-60.

The final game of the regular season brought Bulkeley up against East Hartford. The result was an easy victory for the Bulkeley five. East Hartford became the eleventh team to fall prey to the Bulldogs.

The CIAC Tournament followed for the Bulkeley Cagers. Being ranked thirteenth in the Class AA standings, Bulkeley was paired with Hamden. The Bulldogs did not function as a well co-

"Brown from the baseline"

ordinated team during that game because of tournament jitters. However, they managed to overcome Hamden in a close 62-57 contest.

Bulkeley was then paired with the amazing Hillhouse Academics. The Bulldogs played a fine game, but suffered a painful 84-59 defeat.

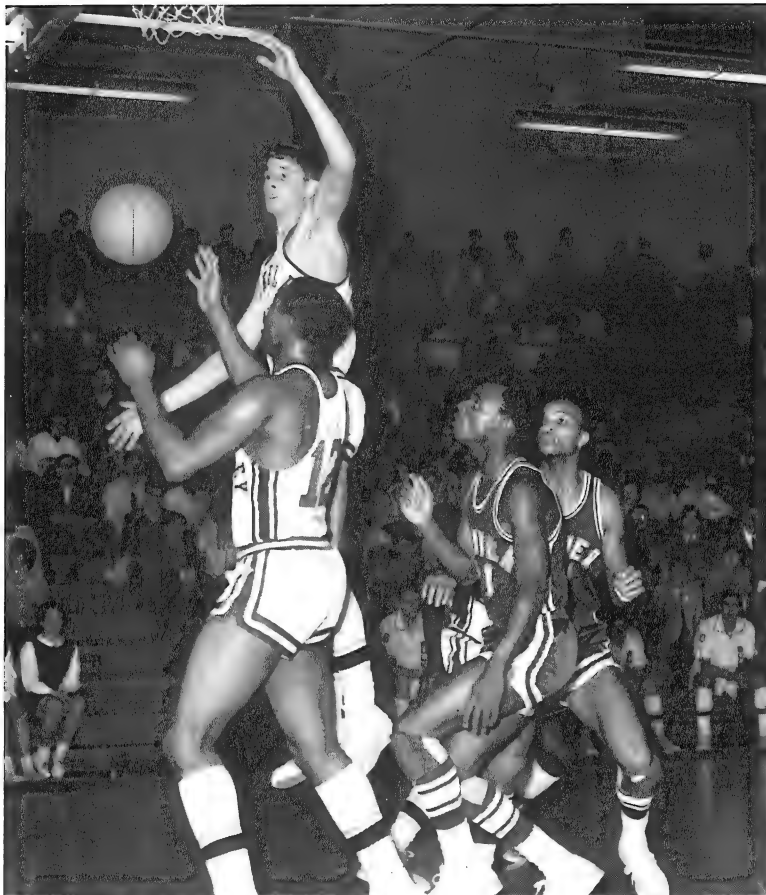

So ended the 1967-68 Basketball season for the Bulkeley Bulldogs.
